(Applicant/Applicant's Representative Signature – if appropriate)

Continuation of Substance of Interview including description of the general nature of what was discussed: Applicant's representative and the examiner discussed a proposed amendment that would recite in each of the independent claims that the receptacle has an adjustable slope and would restore "animal support means" in the body of claims 1 and 24, respectively, so that patentable weight may be given to the preambles of the respective claims. Applicant's representative declined to amend the independent claims.
